PATIENT RECORD OF DISCLOSURES

In general, the HIPAA privacy rule gives individuals the right to request a restriction on uses and disclosures of their protected health information (PHI). The individual is also provided the right to request confidential communications of PHI be made by alternative means, such as sending correspondence to the individual's office instead of the individual's home.

Messages may be left by phone or email as indicated on p1. Yes No

Okay to receive US Mail to address listed on p1. Yes No

Okay to leave information with specified people (i.e. attorney, spouse, friend, Primary Care Physician).
Please include name, relationship and phone number:

Patient Signature: _____ Date: _____

Print Name: _____

Date of Birth: _____

The privacy rule generally requires healthcare providers to take reasonable steps to limit the use, disclosure and requests for PHI to the minimum necessary to accomplish the intended purpose.

These provisions do not apply to uses or disclosures made pursuant to an authorization requested by the individual.
